Equal Opportunities Policy

Date of review: September 2024

Eaton Square Senior School is an equal opportunities employer.

In order to promote an environment within which the School can call upon the widest possible range of knowledge, skill and experience, as well as ensuring compliance with the relevant legislation and codes of practice, we are committed to achieving and maintaining a workforce which represents the population within our recruitment area in terms of race or colour, nationality or national or ethnic origins, religion or belief, sex, sexual orientation, pregnancy or maternity, marital or civil partnership status, gender reassignment, age, and disability (together known as “**Protected Characteristics**”).

To this end, we shall regularly review the operation of our recruitment, promotion, training and development policies to ensure that no applicant for employment or member of staff is disadvantaged by conditions or requirements which cannot be shown to be justifiable.

No employee or prospective employee will receive unfair or unlawful treatment on the grounds of a Protected Characteristic, because they are perceived to have a Protected Characteristic or because they are associated with someone who has a Protected Characteristic, in particular but not only, in relation to:

- Recruitment and selection.
- Promotion, transfer and training opportunities.
- Benefits, terms and conditions of employment.
- Grievance and disciplinary procedures.
- Termination of employment including redundancies.
- Conduct at work.

Procedures are in place to ensure fair and equitable treatment in relation to the admission and assessment of students.

The principles of non-discrimination and equality of opportunity also apply to the way in which staff must treat visitors, students, parents, suppliers and former members of staff.

Implementation

The School, with the assistance of the staff, will:

- Break down any barriers to equality of opportunity which may prevent staff members realising their full potential or accessing benefit.
- Advertise vacancies and ensure job selection criteria are appropriate for the job.
- Promptly and fully investigate all complaints of discrimination and harassment, taking appropriate action where necessary.
- Ensure that all members of staff are fully informed and trained on this Policy.

- Monitor the composition of the School and the effects of its recruitment practices.
- Examine and review existing procedures to ensure they are not discriminatory in their operation.
- Ensure that the language used in official communication reflects the letter and spirit of the policy.

Recruitment and Selection

The staffing process is governed by the School's principles of non-discrimination and is designed to achieve the best match between, on the one hand, the individual's knowledge and skills, experience and character and, on the other hand, the requirements of the vacant post, recognising the need for flexibility to respond to changing conditions.

- The capability of the individual to perform in the position will be the major selection criterion but the ability both to work with others and to be trained, coupled with individual potential will be considered.
- All applicants will be dealt with courteously and as expeditiously as possible.
- Carefully selected and validated skills and/or psychometric tests may be used as part of the selection process and will be administered by a trained tester.
- Shortlisted applicants will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.
- All offers of appointment shall be conditional on satisfactory completion of the pre-employment checks, as set out within KCSIE.

Please see the Recruitment, Selection and Disclosure Policy and Procedure for further information.

Training and Promotion

Training needs will be identified through the school appraisal programme. Staff will be given appropriate access to training to enable them to progress within the School and all promotion decisions will be made based on merit.

Termination of Employment

The School will ensure that redundancy criteria and procedures are fair and objective and are not directly or indirectly discriminatory.

The School will also ensure that disciplinary procedures and penalties are applied without discrimination, whether they result in disciplinary warnings, dismissal or other disciplinary action.

Disability

If you are disabled or become disabled, we encourage you to tell us about your condition so that we can support you as appropriate.

A disability will not of itself justify the non-recruitment of an applicant for a position at the School. Such reasonable adjustments to the application procedures shall be made as are required to ensure that applicants are not disadvantaged because of their disability. For example, where written tests are used, alternative arrangements will be made for visually impaired applicants.

If you experience difficulties at work because of your disability, you may wish to contact the HR Executive to discuss any reasonable adjustments that would help overcome or minimise the difficulty. The HR Executive may wish to consult with you and your medical adviser about possible adjustments and you may be required to give your consent to a report being produced about your state of health and ability to perform your duties. We will consider the matter carefully and try to accommodate your needs within reason. If we consider a particular adjustment would not be reasonable, we will explain our reasons and try to find an alternative solution where possible. Once an adjustment has been made its operation may need to be reviewed at agreed intervals, to assess its continuing effectiveness.

The School will make such adjustments to work arrangements or School premises as are reasonable to enable a disabled staff member to carry out his or her duties. This will include, but is not limited to, consideration of the provision of specialist equipment, job redesign and/or flexible hours.

Where, during the course of their employment, a disabled member of staff recognises their need for a reasonable adjustment to be made to work arrangements or School premises, he or she should discuss this requirement with the Bursar.

Part-time and fixed term work

Part-time and fixed-term staff should be treated the same as comparable full-time or permanent staff and enjoy no less favourable terms and conditions (on a pro-rata basis where appropriate), unless different treatment is justified.

Breaches of this policy

We take a strict approach to breaches of this policy, which will be dealt with in accordance with our Disciplinary Procedure. Serious cases of discrimination may amount to gross misconduct resulting in dismissal.

If you believe that you have been the subject of discrimination you can raise the matter through our Grievance Procedure. Complaints will be treated in confidence and investigated as appropriate.

There must be no victimisation or retaliation against staff who complain about discrimination. However, making a false allegation deliberately and in bad faith will be treated as misconduct and dealt with under our Disciplinary Procedure.
